**A ROCHA**

Conservation and Hope

2018/2019  
ANNUAL REPORT

 OUR VISION

Ecosystems restored and communities across New Zealand actively caring for the earth.

OUR MISSION 

To protect & restore the environment through community-based conservation projects, research, and education.

# Our Year

# 2018/19

Across the horizon, there's an invisible web of threads from New Zealand to the rest of the world. They're the flightpaths of seabirds travelling thousands of kilometres from nesting to feeding grounds. Like this invisible web of threads, A Rocha in Aotearoa has created a network that connects us to each other and our communities.

The projects we are a part of are as diverse as our people. From stream and wetland restoration to predator control, environmental leadership development, school and after-school environmental education, seabird monitoring, tree planting, an eco-theological conference, providing E-Bikes for pastors and bike workshops for our communities – and much more.

We've brought together and involved hundreds of people, connected church communities to work together and inspired many others to both shared and personal action.

This year we also celebrate 10 years of being part of the Karioi project. This project has thrived as we have worked together with our community partners in Whaingaroa/Raglan and have seen a second year of Oi chicks fledge from the Karioi coastline, due to our shared effort to protect their nesting sites.

We hope you will celebrate with us as you read our 2018/19 annual report, which recognises the very best of what we have achieved together with our team, partners, supporters and volunteers throughout Aotearoa.

**Kristel**  
 NATIONAL CO DIRECTOR

E3 embodies partnerships on all levels – partnerships in the common goals of the three organisations, facilitating partnership experiences in leadership, conservation, faith formation, and community that is formed and grown while on an 11-day wilderness expedition.

– PAUL HUMPHREYS, SCRIPTURE UNION SOUTH ISLAND CAMPS FACILITATOR

I grew in confidence at E3 camp – and actually set aside time to slow down and think. Take on more leadership opportunities and look at some things differently.

– E3 CAMPER

Karioi Kids has the best reputation. Getting out in nature exploring own backyard... can't rank their program highly enough! Love it!

– HINEMANIA WARD-HOLMES

<p><b>1190</b></p> <p><b>Education &amp; Engagement</b></p> <p>Delivered 1190 hours impacting 2830+ people through education, media and presentations.</p>	<p><b>97</b></p> <p><b>Karioi Kids / Rangers &amp; Manaaki Ao Program</b></p> <p>97 students in after school and in school programs in Raglan.</p>	<p><b>18</b></p> <p><b>E3 Camps</b></p> <p>18 students participated in Canterbury and Otago</p>	<p><b>1834</b></p> <p><b>Traps at Karioi</b></p> <p>From 1171 to 1834 traps – another 663 traps deployed</p>
